suggestions to the subject proposal that require your review and comments before we submit it for coordination. We have a question regarding the statement in paragraph 2 that "A comprehensive record for each employee is updated annually." Is it true that the system has compiled such a record for each Agency employee or is it only for those employees whose biographic data has been fed into the system? We would appreciate receiving your comments or concurrence so that we may prepare the		ROUTIN	G AND	RECOR	D SHEET
